

Welcome Home Kits

Meet tangible needs of your newly homed neighbor

We encourage you to bring as many items as you would like, but we ask that you please bring the items on this list as a minimum. All items except pillows can be lightly used.

Some nice touches

Keep in mind it's a party! Throwing in extra touches such as a dessert and/or a welcome home sign or banner make each move-in personal and special. Need some ideas? Check out our instagram @gobethe1 for pictures of previous parties. Don't forget to add your own pictures and tag us #gobethe1
